The SBA's Economic Injury Disaster Loans are available for businesses dependent on farmers and ranchers sustaining crop losses due to drought that occurred from January 1, 2002, and continuing. Farmers and ranchers are not eligible for these SBA loans. However, nurseries that are victims of drought disasters can apply. Businesses in the following counties are eligible to apply:

Applications and further information can be obtained by calling the SBA toll-free at 1-800-366-6303 or TDD 817-267-4688 for the hearing impaired.

These loans are intended to assist businesses in offsetting working capital losses which they suffered as a result of the severe weather reducing the crop income of the area farmers and ranchers. Small businesses claiming to have been physically injured by the disaster are not eligible.
